PREFACE

THIS book contains the name, number and location of approximately 17,500 Subordinate Lodges of the Independent Order of Odd Fellows on the Continent of North America, revised to March 20, 1913. The copy was furnished by the Grand Secretaries of the fifty-six Grand Lodges in the United States of America and Dominion of Canada.

It is the purpose of the Directory to aid lodges in communicating one with another. A message transmitted by mail as first-class matter, bearing the name, number and location of any lodge, will be delivered without additional address on the part of the writer. For example, a letter addressed to California Lodge, No. 1, I.O.O.F., San Francisco, California, will be delivered to said lodge, the Postmaster at San Francisco supplying the necessary information as to post-office box or street address of the lodge or Recording Secretary thereof.

Washington Lodge, No. 1, I.O.O.F., Baltimore, Maryland; Massachusetts Lodge, No. 1, I.O.O.F., Boston, Massachusetts, and thousands of other lodges have been known by such titles in their respective localities for generations. The titles and chartered location of lodges are not subject to change.

The street location of halls, nights upon which regular sessions are held, and names and addresses of Recording Secretaries are not included in this compilation, as frequent changes are made and such information would soon be unreliable.

The Directory as printed, while it will never be "up-to-date" on account of the institution of new lodges, consolidations, etc., will be valuable as a reference book for many years to come.

The undersigned takes pleasure in publishing this book with the thought that it will fill a long-felt want, and with the hope that it may be useful to the many thousand Recording Secretaries who are rendering devoted service to our Order.

Acknowledgment is made to Brother John B. Goodwin, Grand Secretary of The Sovereign Grand Lodge, and to the Grand Secretaries of all Grand Lodges who have furnished the copy necessary for the compilation; and to the Fraternity Publishing Company, Boston, for the portrait used as a frontispiece.
